FREE AGENT R.A.C.E.R. PROGRAM INFORMATION

INTRODUCTION

The Free Agent R.A.C.E.R. Program is a "grassroots" racing program open to any individual that would like to apply. The program is designed to help energetic up-and-coming racers with sponsorships, racing and education incentives. The program is for active racers who wish to compete during the season on new, current model year Free Agent racing bicycles. Discounts are given on the purchase of new bikes and accessories. Racers must also adhere to the conditions set forth by the program. All riders must be approved by Free Agent to join.

HOW IT WORKS

Program participants are allowed to purchase qualifying Free Agent racing bicycles and framesets at a significant discount off the MSRP. Bikes are shipped to participating dealers who assemble the bicycles (at no fee to you). This program will work in conjunction with the local bike shops. Frame set purchases will be made directly through Free Agent. Complete bikes must be shipped to a bike shop, with payment sent to Free Agent.

You must fill out all 4 pages and return to Free Agent to receive items and become a R.A.C.E.R. member.
